COVID-19 Legal Perspectives: Your Questions Answered

COVID-19 is disrupting business-as-usual around the world. Companies of all sizes are dealing with both expected and unexpected issues. As Canada's Law Firm, we want to help companies in all industries navigate these uncertain times.

On Wednesday, March 25, 2020, BLG held the first of it's weekly webinar series aimed at answering businesses COVID-19 related questions. BLG's subject matter experts from key areas addressed common questions to help businesses through and beyond this crisis, exploring such topics as:

- Applying the lessons learned from SARS today
- Managing employee issues in a pandemic
- Best practices for crisis management and communication
- Contractual risks and disputes
- Privacy and cybersecurity issues
