

## Financial Services Regulatory

Complying with evolving and new regulatory requirements while growing your business in the Canadian financial services industry can be complex. It's essential to have a legal team with highly-specialized knowledge and experience as your guide.

As one of Canada's leading financial services practices, we provide trusted regulatory advice on banking, payment cards, life insurance, property and casualty insurance, digital wallets, and many other financial products and services.

We can help your organization:

- obtain federal and provincial licenses
- structure and execute transactions that conform with the regulatory environment
- implement new deposit, loan, payment card, insurance and investment products and services
- manage regulatory and compliance risk management
- develop core regulatory and compliance policies, procedures, practices and programs including anti-money laundering and economic sanctions compliance
- draft terms for economic sanction and anti-money laundering compliance for loan transactions
- develop and review standard form customer facing documents so they comply with consumer protection laws and anti-money laundering requirements
- litigate and negotiate regulatory matters

We serve a range of clients, including:

- domestic and foreign banks
- foreign bank subsidiaries and branches
- trust companies
- loan companies
- credit unions
- investment dealers and advisors
- insurance companies and brokers
- card issuers and acquirers
- payment service providers
- money services businesses
- mobile wallet providers
- consumer finance companies
- cryptocurrency and blockchain based payment and financial service providers
- mortgage and deposit brokers
- mutual fund companies

- payday lenders
- collection agencies
- credit reporting services

We participate in industry organizations, and frequently speak and write on industry issues. Members of our team also serve on the boards of financial institutions and self-regulatory organizations in the industry, and regulators frequently consult us for our knowledge and expertise.
