Peter focuses his practice on the formation, financing, purchase and sale of corporations, partnerships and joint ventures, particularly in oil and gas and energy infrastructure projects.

He advises clients on:

- commercial aspects of the purchase and sale of assets and shares
- corporate governance and competition issues
- the acquisition and divestiture of oil and gas properties
- the development and approval of midstream energy infrastructure

Before joining BLG in 2011, Peter was Senior Legal Counsel and Manager of Pipeline Business Development for a large energy infrastructure company.

He is the National Leader of our Oil & Gas Group.
