Anne recently retired from partnership. In her more than 30 years with BLG, Anne practiced in corporate commercial, health law and pension law.

She advised profit and non-profit corporations, including health-care providers, in connection with a variety of corporate and commercial law issues, including corporate reorganizations, mergers and acquisitions and confidentiality agreements. Anne also advised on governance issues, contracts and fiduciary liability.

She acted as counsel for various health provider organizations on amalgamations, integrations and collaborations, corporate restructuring and outsourcing, and advised profit and non-profit corporations in connection with pension, benefits and related investment arrangements.

Anne has accepted an exciting role with Ontario Health, as its General Counsel and Executive Lead, Legal, Privacy and Risk. We are proud of her for taking on this role at such a crucial time in the healthcare field and thank Anne for her many contributions to the firm over the years.
