Cheryl is responsible for developing firm standards for the collection, processing, review and production of electronic data. She manages and mentors team members to adhere to firm standards and best practices using the firm's leading edge eDiscovery solutions and processes. She implements solutions that allow lawyers to have paperless discoveries and trials.

Cheryl advises lawyers, law clerks and clients on eDiscovery, document management, litigation-support applications and electronic courtrooms. She holds numerous litigation software certifications and is a Relativity Certified Administrator and Relativity Certified Review Specialist.
