

# Maritime Law Magazine

February 07, 2018

BLG is pleased to announce the release of our Maritime Law magazine – featuring a selection of insights shared at our 29th Annual Maritime Law Seminar held in December of 2017. Topics addressed include:

- cybersecurity concerns within the global shipping industry;
- the revolutionary impact on all areas of the maritime industry by the inevitable introduction of autonomous vessels; and
- CETA and its impact on the Canadian shipping industry.

Our current issue also features a "Fireside Chat" with P. Jeremy Bolger – senior counsel at BLG, in which Jeremy reflects on his time as a lawyer and expands upon how the practice of maritime law has changed and continues to evolve.
