Mishail is an articling student at BLG's Toronto office for the 2024-2025 term.

Before joining BLG, Mishail spent three years as an associate at a leading law firm in India, working in the Corporate and Competition Law practice groups. She advised on M&A and private equity deals, provided guidance on pre-merger notifications, and represented clients in cartel and abuse of dominance investigations.

Mishail was drawn to BLG after her interactions with firm members who were genuinely invested in her professional growth. The firm's culture of competing externally while supporting internally made BLG an obvious choice for her.

In her spare time, Mishail enjoys playing the guitar and singing. When not at home with her two cats, she explores the city, attending music shows and discovering the best dining spots.
