Dylan acts for clients in a number of areas related to securities and capital markets. His particular focus is on mergers and acquisitions, investment fund management, corporate finance and general corporate governance matters for both public and private companies.

Dylan's mergers and acquisitions practice includes asset and share purchases, takeover bids, plans of arrangement, reverse takeovers and other business combinations, while his financing practice includes initial public offerings, prospectus offerings and private placements.

Dylan assists public companies to ensure compliance and investment funds to comply with their continuous disclosure obligations. He also assists investment funds in connection with their formation, offering and management.

Dylan has experience working with clients in various sectors including cryptocurrency, renewable energy, mining and cannabis.

Experience
